This contractual agreement has been prepared between Farmington Fairways Golf Course and the Tournament organizer or corporation ('the host').

Payment

- o A \$300 deposit (\$100 deposit for groups of 24 or less golfers) is required for all first time bookings. A signed event contract is also required to secure your tournament date. The deposit will be credited against your final invoice total on the event day. The deposit is refundable only with minimum 7 days advance cancellation notice.
- o The final number of golf and dinner guests must be confirmed **7 days** in advance of the tournament. Numbers may be adjusted (+/- 10%) up to 48 hrs prior to the event.
- o There will be a 50% surcharge for those who do not show on the tournament day.
- o Payment is due in full immediately after the event unless other arrangements have been made.

Participants

- o The host is responsible for the conduct of all participants. Any damage to the clubhouse, golf course, power carts, equipment, or property of Farmington Fairways Golf Course is the responsibility of the host. All participants are responsible for loss or damage resulting from any cause, and/or bodily injury that may occur on the property
- o Farmington Fairways Golf Course and its Management reserves the right to remove any guest from the property at any time without compensation

Alcohol Policy

- o Alcoholic beverages purchased for consumption *must* be from Farmington Fairways Golf Course, as regulated by the Liquor Control and Licensing Act. No outside alcohol or beverage coolers will be permitted. All participant bags and coolers are subject to inspection. Any personal alcohol found will be confiscated immediately. Alcohol service may be cut off to guests at the server's discretion.
- o Management and staff are licensed under the Province of British Columbia's "Serving It Right" program.

Alcohol policy will be strictly enforced

Tournament Day

- o The golf tournament **will play rain or shine** and not be cancelled due to inclement weather unless management determines that the golf course is unplayable due to extreme weather conditions.
- o Groups of 24 or less will be assigned tee-times in groups of 4 golfers at 10 minute intervals. The number of provided tee-times will correlate with the number of confirmed golfers and participants must be on time.
- o Groups of 28 or more will have the option of booking a shotgun start, and holes will be assigned by Farmington Fairways. 2 groups of 4 people will be required to tee off from some holes.
- o Each golfer must use their own set of golf clubs - no sharing of equipment is permitted.
- o Power cart reservations must be made by the individual at least 48 hours in advance, otherwise power carts rent on a first-come-first-serve basis if available.
- o Farmington Fairways Golf Course is not responsible for any items left on the property after the event
- o The pace of play at Farmington Fairways is 2 ½ hours for nine holes. Your meal will be ready three hours after you start.
- o In order to keep pace of play at required speeds, tournaments must play a scramble format.
- o We also suggest the use of the double par rule (pick up the ball when you have reached a score twice that of par) as well as playing 'ready golf' (whoever is ready to shoot takes the shot, even if he or she is closer to the hole). We realize that it is difficult to maintain pace of play during tournaments and these suggestions may help you better enjoy your day and our facility
- o The organizer should be at the golf course one hour prior to the event time to arrange signage installation and attend to registration. All golfers should be at the course a half hour prior to the function start time.
